

# Semantic Materials Workshop

Knowledge Organisation Challenges and Solutions for Chemicals  
and Materials-Based Industries

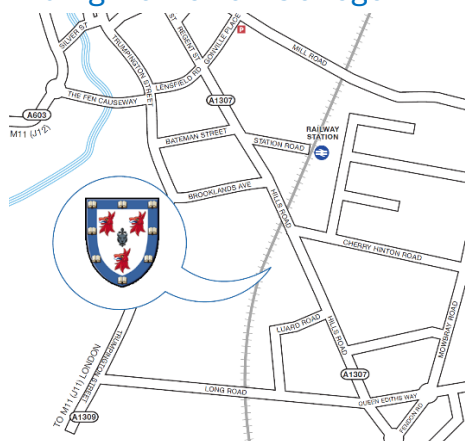

*10 November 2025*

*Homerton College*

*Hills Road, Cambridge, CB2 8PH*

*This meeting is kindly supported by the DigiCell project and the EMMC*

## Finding Homerton College

Homerton College, Cambridge is situated on Hills Road just a short distance from the city centre between the main railway station and Addenbrookes Hospital. All visitors arriving at the College should report to the Porters' Lodge.

## Arriving by road

Homerton College is a three-mile drive from junction 11 of the M11 towards Cambridge on the A1309, Long Rd/A1134 and Hills Rd/A1307. There are limited spaces available in the visitors' car park. Please contact us for details if you would like to park on site.

## By train

The college is only a 15-minute walk from Cambridge's main station. There are regular trains to London King's Cross and London Liverpool Street, and also good connections from Peterborough, Birmingham, Manchester and Edinburgh.

## By air

The airport closest to Cambridge is Stansted, from where there are good train and taxi connections to Cambridge.
